## BIOGRAPHY

I'm a recent graduate of Union College in Lincoln Nebraska, with a BS in Computer Science and Minor in Engineering. I am originally from St. Helena, California, where I was born and raised. I also spent time living in Germany from 2001-2005 when I was a child. In my free time, I enjoy playing drums with my local band The Zooeys. My other hobbies include downhill skateboarding, music production, and photography.

## EXPERIENCE

### ● JR. FULL STACK DEVELOPER

Motionize | Oct 2020 - Current

Designing and implementing user interface components for the Motionize web application, as well as maintaining the company website.
